Dear Ladies & Gentlemen:

Thank you for the gift of \$153.00. We are extremely appreciative. It's heartening to know so many people have faith in our mission.

Summer has arrived, bringing us heat and humidity. On the up side, it also brings us fresh produce. It's no secret that fruits and vegetables are important parts of a healthy diet. Home-grown produce and herbs have the advantage of being tastier, fresher, more nutritious and more delicious. We are all so excited about the corn, tomatoes, cabbage, cucumbers, peppers, lettuce, the purple, yellow and white cauliflower, broccoli and different types of squash supplied by the many local farmers, church co-ops and home gardeners.

You guys rock!

At the Thrift Store, your contributions are crucial to our cause. We welcome new and gently used indoor/outdoor furniture, tools, home décor, small appliances and household items. Donations are what support our mission. All contributions are 100% tax deductible. Simply put, if it wasn't for generous supporters like you, our goal of ending hunger in Fauquier County would be very difficult. So thank you for the assistance that we need to make a difference in the lives of our less fortunate neighbors. We are so very grateful for your support. Always keep in mind, that a \$1.00 donation buys \$4.00 worth of food.

With our warmest and heartfelt Thanks,

Sharon Ames – Executive Director

Tom Baccei – Board President
